## **Directions to EC Outfitters Mer Bleue Location (From USA and Ottawa)**

Cross from USA into Canada at one of 2 ports of Entry if travelling from west of Ottawa:

1. Thousand Islands/Alexandria Bay or
2. Prescott/Ogdensburg

If coming from I 81, Merge to the right shortly after passing through Canadian customs to take hwy 401 east towards Ottawa/Montreal.

From hwy. 401, take the exit for hwy. 416 North towards Kemptville/Ottawa.

From Ogdensburg you will already be travelling north on hwy. 416 towards Ottawa after entering Canada.

When you arrive in Ottawa, you will pass the Hunt Club Rd. Exit then watch for and take exit 75B following the signs for hwy. 417 east towards Ottawa.

There are several ways to travel through Ottawa to get to hwy. 5 north in Gatineau, Quebec. One of the most direct is to take exit 118 for Nicholas st. toward Gatineau autoroute 5.

You will zig zag a little but follow the main route following the signs for Gatineau 5 North.

Turn right onto Rideau st. then take left lane to turn left on King Edward St.

King Edward St. will take you across the bridge which then becomes hwy. 5 North, eventually turning into hwy 105 North. You will pass through the villages of Low, Kazabazua and when you enter Gracefield, turn left onto chemin Cayamant immediately after crossing the Picanoc river bridge.

Chemin Cayamant will take you into the village of Cayamant where you can buy your hunting/fishing licenses at Depanneur Matthews/Brousseau located on your right hand side.

The main street in Cayamant turns into chemin lac a Larche after continuing straight at the stop sign. You will begin to see signs for Pourvoirie Mer Bleue which is the French name for our lodge.

10 km's north, you will turn left on chemin de la Mer Bleue. Keep right after crossing the first bridge at the horse barn and you will have arrived at the lodge immediately after crossing the second bridge.
